New Street Signs

If you haven't noticed, please take a look at the new street signs. They were installed on May 31, 2013. A special thanks goes out to David Sutton, Larry Clarke, Rickie Johnson and his son Kyle, Mike and Melanie Brazil as well as their grandson Mason, for their time and effort on this project. The new signs are low to minimal maintenance and are made to last a very long time, which will reduce future costs. The speed limit signs are forthcoming.

Hurricane Season

Hurricane season has started. Please help all your neighbors by remembering to secure playground equipment, trampolines, and any other item that can cause damage to a neighbor's home. We also ask that you assist us in keeping the storm drains cleared of any and all debris to help with drainage.

The Robottom Administration encourages residents to plan for hurricane season. You can pick up a copy of the 10 step survival plan and survival supply check list from the Parish Library or go to the Parish Website (www.SJBParish.com). The Parish is updating their notification systems to enhance communications with the public. Residents can sign up for E-News updates at www.SJBParish.com/newsletter.PHP and first call notifications at www.alertregistration.com

School is Out! Watch out for the Kids!

Please remember that school is out. Our kids are out and about enjoying their summer. Please be mindful that they are just kids and don't always pay attention to what is going on around them. Please drive cautiously and keep a look out for them.

Yard of the Month

Yard of the month is back and in full swing. Please take a few minutes to spruce up your yard. Please visit www.belleterrelinkshoa.com to see the monthly winners.

Summer Time Projects are Here

We all know summer is the time for those special projects. Before doing any outside improvements, please check your CCR's booklet for any restrictions. Contact any board member if you have questions. CCR's can also be located on the website: www.belleterrelinkshoa.com.

CCRs Reminder

Letters were recently issued to numerous homeowners referencing CCR violations including street parking, lot maintenance, and properties in need of repair. While oversight does occur occasionally, all homeowners are asked to abide by the CCRs.

Sec 4.01 - Off-Street Parking: No vehicle may be parked on the street fronting any Lot on a regular basis or for an extended period of time. This restriction includes overnight parking. All boats, trailers and recreational vehicles shall be parked on each Lot behind a fence or in the garage so that they are not apparent from the street, lake, park or golf course.

An amendment to this section also requires there to be a hard surface on which to park these vehicles. We ask that all abide by the requirements to limit the parking of vehicles in the street and not to park trailers overnight where they can be seen.

Sec 4.08 - Garbage and Refuse: All lots shall be kept in a healthful, sanitary, and attractive condition. All trash, junk, and waste matter shall be kept in adequate containers and screened from public view. No lot shall be used for open storage of any materials or equipment except for normal residential requirements.

In essence, please take pride in the appearance of your home and surrounding property. If you have trash or other materials that are not pleasing to the eye or are cluttering up your property, please contain it properly, conceal it or remove it.

Lake News

Fishing: Just a reminder that fishing is allowed for homeowners only. But please remember that the fish are to be returned to the lake once they are caught.
