Hurricane Season

Hurricane season has started. Please help all your neighbors by remembering to secure playground equipment, trampolines, and any other item that can cause damage to a neighbor's home. We also ask that you assist us in keeping the storm drains cleared of any and all debris to help with drainage.

The Robottom Administration encourages residents to plan for hurricane season. You can pick up a copy of the 10 step survival plan and survival supply check list from the Parish Library or go to the Parish Website (www.SJBParish.com). The Parish is updating their notification systems to enhance communications with the public. Residents can sign up for E-News updates at www.SJBParish.com/newsletter.PHP and first call notifications at www.alertregistration.com

School is Out! Watch out for the Kids!

Please remember that school is out. Our kids are out and about enjoying their summer. Please be mindful that they are just kids and don't always pay attention to what is going on around them. Please drive cautiously and keep a look out for them.

Neighborhood Garage Sale

The spring neighborhood garage sale has been canceled because of increased liability insurance.

DUES

We ask all to please pay quarterly dues timely. Failure to do so causes increased costs to issue reminders and the Board to spend time that could be spent on more productive issues. Thanks to all who pay dues timely.

Summer Time Projects are Here

We all know summer is the time for those special projects. Before doing any outside improvements, please check your CCR's booklet for any restrictions. Contact any board member if you have questions. CCR's can also be located on the website: www.belleterrelinkshoa.com.

CCRs Update

Recently the home owners association approved amendments to the CCR's that allows certain Solar Panels and Metal Shingle Style Roofs. Please have all plans submitted to the architectural committee for review and approval prior to installation.

The security cameras vote was a split decision according to the ballots received. The Board is doing further research on cost and effectiveness. Additional information will be sent out prior to any decision.

CCRs Reminders

Sec 4.01 - Off-Street Parking: No vehicle may be parked on the street fronting any Lot on a regular basis or for an extended period of time. This restriction includes overnight parking. All boats, trailers and recreational vehicles shall be parked on each Lot behind a fence or in the garage so that they are not apparent from the street, lake, park or golf course.

Sec 4.08 - Garbage and Refuse: All lots shall be kept in a healthful, sanitary, and attractive condition. All trash, junk, and waste matter shall be kept in adequate containers and screened from public view. No lot shall be used for open storage of any materials or equipment except for normal residential requirements.

In essence, please take pride in the appearance of your home and surrounding property. If you have trash or other materials that are not pleasing to the eye or are cluttering up your property, please contain it properly, conceal it or remove it.

Louisiana Leash Law

Please be mindful of your neighbors. If you are taking your dog for a walk, please make sure they are on a leash.
